

## Accessories for underground crawler down-the-hole drill rigs

Drilling method: Separated Down-the-hole Hole diameter: 90-178mm DTH-hammer: 3.5, 4 and 5 inches  
Engine brand: YuChai SWDQseries crawler ...

At JK Drilling, we specialize in manufacturing high-quality drilling rig parts - consumable parts designed to enhance the efficiency and performance of your drilling operations.

Full hydraulic down-the-hole (DTH) drilling rig is a drilling rig for sale that uses oil pressure to drive and control all moving parts in the process of adjusting the ...

Explore the different parts of a drilling rig at Rig Source. We provide top-of-the-line drilling machinery to sell the best auger drill bits and drill rods.

Crawler drilling rigs | Choosing the right drilling rig There are two main types of drilling rigs: autonomous crawlers and truck or trailer-mounted. You will need ...

Our intelligent surface drill rigs bring the latest technology to surface mining applications. Designed to work in the toughest operating conditions, our ...

The ZT44 is a down-the-hole surface drill rig designed for mining-duty applications. It offers high reliability and production with purpose-built structures, a high horsepower engine and large ...

We are a US Manufacturer specializing in top quality DTH drilling equipment and accessories serving the construction foundation, mining and quarrying, oil and gas, geothermal, ...

New and Used Drill Rig insights There are 59 Drill Rig for sale in Australia from which to choose. Overall 25% of Drill Rig buyers enquire on only used listings, 73% on new and 5.98% on both ...

The drilling rig also lifted and lowered the drill string as it moves up and down the hole. Mining companies use mining drilling machines to extract minerals from ...

Rockmore International manufactures the finest and most efficient Down-the-Hole (DTH) hammers and bits for the mining, construction & water well industries.

The crawler-type down-the-hole drilling rig is a new type of comprehensive drilling rig specially used for rotary drilling of soft rock. It adopts new hydraulic ...

## Accessories for underground crawler down-the-hole drill rigs

The crawler-type down-the-hole drilling rig is a new type of comprehensive drilling rig specially used for rotary drilling of soft rock. It adopts new hydraulic technology, with high rotation speed ...

We offer a complete range of down-the-hole products including hammers, bits, pipes, adapters and breakout benches. Read more and contact us here!

Epiroc offers the most comprehensive line of rotary blast hole drilling rigs in the industry. With a multitude of configurations to choose from you can find the ...

Kaishan drilling rig is best for quarrying, surface mining, underground mining, construction, exploration drilling industry applications. Best Services!

For the rotary drilling rigs, we have the models can drill from 50-600 meters depth, both have the wheel mounted model, trailer mounted model, crawler mounted model etc, low weight and ...

An integrated down the hole drilling machine, also known as a one-piece drill rig, or crawler DTH drilling rig is a powerful and versatile machine used in the ...

Discover how the right down-the-hole (DTH) drill rig can boost your mining and construction efficiency. Learn about rig types, key features, and ...

Drilling method: Separated Down-the-hole Hole diameter: 90-178mm DTH-hammer: 3.5, 4 and 5 inches Engine brand: YuChai SWDQseries crawler hydraulic surface down-the hole drilling rig, ...

Find your underground mining drilling rig easily amongst the 56 products from the leading brands (Hengwang, Sandvik, JINFAN, ...) on DirectIndustry, the ...

Our drilling rigs offer a variety of feed lengths, positioning configurations, rock drills, and optional automated features for underground production drilling and blast hole drilling in mining and ...

Canyon Equipment specializes in rock drilling equipment for all forms of civil construction, quarries, open pit mining and underground exploration. We supply equipment to perform ...

The Characteristics of Different Types of Down the Hole Drilling Rigs: YGL130 Diesel Engine and Electric Double Power Hydraulic Crawler Mounted Low Air Pressure Blast Hole Drilling Rig YG ...

Leopard(TM) DI650i is an intelligent diesel-powered, self-contained, crawler-mounted down-the-hole drill rig built for demanding high-capacity production ...

Smith Capital Equipment has been manufacturing Auger and DTH drill rigs for over 4 decades and our

## Accessories for underground crawler down-the-hole drill rigs

products include augering and down-the-hole rigs. Typically these are mounted onto ...

Whether you're dealing with challenging drilling conditions, looking for rig repair, or needing spare drilling tools, Rig Source is the trusted partner you can count ...

The down-the-hole drilling machine is suitable for large-diameter blast hole rock drilling operations in small and medium-sized mines, road construction, water ...

New and Used Drill Rig insights There are 59 Drill Rig for sale in Australia from which to choose. Overall 25% of Drill Rig buyers enquire on only used listings, ...

Blasthole rigs and drills don't need much explanation. They're used for drilling a hole into the surface of the rock, packing the hole with explosives and then detonating those explosives in ...

Ranging in size from small, limited access drilling rigs to large platform/big performance sonic drilling rigs, our drill rigs cover a range of applications.

DTH is short for "down-the-hole". Since the DTH method was originally developed to drill large-diameter holes downwards in surface-drilling applications, its name originated from the fact ...

Drilling Tools International offers a full line of surface and downhole accessories related to downhole drilling tools and Bottom Hole Assembly (BHA) components.
