

## Best cme d-120 drill rig vendor

Who makes CME drilling rigs?

Central Mine Equipment Company manufactures a complete line of drill rigs for subsurface investigation in the geotechnical, environmental, mineral exploration, water well and construction industries. CME drilling rigs are multi-purpose machines built from the ground up in our Earth City (St. Louis), Missouri factory.

What tools are available for a CME drill rig?

Numerous hoists, water pumps, hammers, tool boxes, tool trays, tool hooks, auger and rod storage racks, work tables, pipe vises, sample extruder, work lights, hydraulic rod holder and break-out wrench are offered, and the list goes on. You can even pick the color to match your fleet. We have been custom building CME drill rigs since 1964.

What types of drilling rigs are available?

Geotechnical drilling rigs - CME rubber tire ATV drills, truck, track carrier, trailer and skid mounted drill rigs.

What is a CME 75 drill rig?

The CME 75 drill rig is one of CME's larger drill rigs. This unit is known for conquering larger jobs requiring deeper drilling depths or bigger augers. The CME 75 can be truck or track-mounted and also gives the option for enhancing rotation and power. Common variances of the CME 75 include CME 75HT, CME 750, and CME 750X.

Do you sell & rent CME drill rigs?

We Sell & Rent a variety of cme drill rigs to meet your needs! Central Mine Equipment Company (CME) offers competitive geotechnical and environmental drill rigs that uphold a strong reputation for being powerful, dependable, and versatile.

Are CME drills good resale value?

CME drills are built for the long haul. They maintain a high resale value due to their durability and the never-ending CME factory support after the sale. Whether you have a 1964 CME-55 drill or a 2021 CME-55LCX, our full-time Product Support Staff is here to provide the answers you need to keep your CME drill turning.

The only drill rigs of its kind, the CME 75 LAR rubber-track drill rig has great torque and power but with a working height of just 14.5 feet. This is the only rig ...
