

China Jiangkaishan Down-the-Hole Drilling Rig

The KT25 integrated down the hole drill rig for open use can drilling vertical, inclined and horizontal holes, mainly used for open-pit mine, stonework blast ...

Chinese 80 to105 mm Portable Hard Rock Drilling Rig Machine Hydraulic The KG310/KG310H down the hole drill rig for open use is an improved device in compliance with national ...

The KG420/KG420H down the hole drill rig for open use is an improved device in compliance with national regulations on diesel-engine emissions. Equipped with the Yuchai four-cylinder ...

Zhejiang Kaishan Heavy Industry, part of Kaishan Group, manufactures advanced drilling equipment for mining, military, and construction. We offer safe, efficient, and customized ...

The KT11 integrated down the hole drill rig is driven by a high power Cummins China stage III diesel engine with a two-terminal output that can drive the ...

The KT5C Integrated down the hole drill rig for open use is an advanced drilling device integrating the down the hole drilling system and screw air compressor ...

Our KT5C Integrated down the hole drill rig for open use is an advanced drilling device with an integrated screw air compressor system. The equipment is compact in structure and mobile ...

The KT12 integrated down the hole drill rig is driven by a Cummins China stage III diesel engine and the two-terminal output can drive the screw compression ...

Our down-the-hole drilling rig features high drilling accuracy and efficient performance, while the service life is also guaranteed.

KAISHAN provides a full range of drilling rigs designed for different applications in the mining, tunneling, and other infrastructure industries. Our product line ...

The KT7C high air-pressure down the hole drill rig for open use is an advanced drilling device integrating a down the hole drilling system and screw air compression system.

The KG410/KG410H down the hole drill rig is particularly suited for operation in open pit mines and stone quarries. It comes equipped with a Yuchai four-cylinder engine (China III) and ...

China Jiangkaishan Down-the-Hole Drilling Rig

The KG726III/KG726HIII down the hole drill rig for open use is an improved device in compliance with national regulations on environmental protection. Equipped with the Yuchai engine, the ...

The KG420/KG420H dth drill rig for open use is an improved device in compliance with national regulations on diesel-engine emissions.

Kaishan is also a professional manufacturer of rock drills, DTH drilling rig, water well drilling rig. We also provide mucking loader, haggloader, air picks, auxiliary products for the drilling rig, ...

The KT9D integrated down the hole drill rig for open use is an advanced drilling device integrating the down the hole drilling system and screw air compressor ...

The KG430/KG430H down the hole (DTH) drill rig is engineered for high efficiency open pit mining and stone quarrying use. The track drill features tramming and ...

KAISHAN KQY90 pneumatic hydraulic down the hole hammer drilling rig KQY90 - KAISHAN Products Made In China, China Manufacturer. Rock drill machine ...

Our KT Series DTH Drilling Rig Ready for the delivery at our Kaishan Factory.welcome visit <https://> to get more detailsZhengzh...

KAISHAN KT11 Integrated Down the hole Drill Rig offers high efficiency and reliability for mining projects. With a drilling diameter of 100mm and a depth of 25m, it is perfect for various industries.

Products Description The KT5C integrated down the hole drill rig for open use is an advanced drilling device integrating the down the hole drilling system and screw air compressor system, It ...

The KG520/KG520H down the hole drill rig is designed for large and medium-sized quarries and contractors. The drill rig features a folding frame track and ...

Kaishan brand KGH5AIII down the hole drill rig is suitable for drilling vertical, inclined, horizontal blasting holes and pre-cracks in open pit mines and stone works. It has the characteristics of ...

D miningwell high wind pressure down hole drill bit has strong penetration, good stability and wear resistance, suitable for drilling operations in hard rock and ...

The KG430/KG430H down-the-hole drill rig for open use is an improved device in compliance with national regulations on diesel-engine emissions. Equipped with the Yuchai four-cylinder ...

The KG520/KG510H down the hole drill rig for open use is an improved device in compliance with national

China Jiangkaishan Down-the-Hole Drilling Rig

regulations on diesel-engine emissions. Equipped with the Yuchai four-cylinder ...

KG920 expanded pitch and lifting arm hydraulic cylinder enable it to meet the requirements of limiting position use. Meanwhile, the hydraulic system is improved, thereby proving increased ...

The KT15C integrated down the hole drill rig for open use can drilling vertical, inclined and horizontal holes, mainly used for open-pit mine,stonework blast ...

The KG520/KG520H down the hole drill rig for open use is an improved device in compliance with national regulations on diesel-engine emissions.Equipped ...

Epiroc offers the most comprehensive line of rotary blast hole drilling rigs in the industry. With a multitude of configurations to choose from you can find the ...

Integrated DTH Drilling Rig Our KT series integrated drilling rig an advanced drilling machine that combines borehole drilling rig and screw air compressor. ...

The KG520/KG520H down the hole drill rig is designed for large and medium-sized quarries and contractors. The drill rig features a folding frame track and four wheel drive. The track leveling ...

Kaishan is also a professional manufacturer of rock drills, DTH drilling rig, water well drilling rig. We also provide mucking loader, haggloader, air picks, ...
