

Derex drilling rigs supplier in comoros

What is a Derex 1340 dual rotary drilling rig?

Introducing the new improved Derex 1340-12 Dual Rotary drilling rig. Experience the ease of drilling and reduced stress with the 1340 dual rotary drill mounted on the International CV 4×4. The Derex 1340-14X DR is the ultimate 6×6 dual rotary drilling rig designed to conquer any terrain and deliver exceptional performance.

How powerful is a Derex 2630-22 drilling rig?

The Derex 2630-22 drilling rig has bragging rights with 26' of stroke, 30,000 to 70,000 lbs of pull back and up to 8,000'lbs of torque. This powerful drilling rig features NO crown loading, and has a top drive that slides both ways off the hole center to give winches a clear hole, allowing you to pull rods and casing quickly and efficiently!

How deep do Derex Dr rigs go?

Derex DR Drills have reached as deep as 1800 feet. Ease of Maintenance - The Derex DR rigs come with a hydraulic feed system that is directly linked, eliminating the need for maintenance of chains, sheaves, or sprockets.

What is a T-Rex rig?

Like the king of the dinosaurs, the T-REX is designed to be the king of geothermal and exploration drilling. This beast of a track drill will dominate the toughest terrain and conquer the most challenging drilling conditions with ease. Slaying Dragons or wells is simple and quick with the new Derex 2630 King Arthur drilling rig.

How does a Derex Dr rig work?

Ease of Maintenance - The Derex DR rigs come with a hydraulic feed system that is directly linked, eliminating the need for maintenance of chains, sheaves, or sprockets. This unique feed system ensures there is no load on the mast crown, enabling a straightforward and lightweight mast design without compromising on pullback capability.

What is a Derex 1340-16 Dr rig?

The 1340-16 DR provides superior traction with its tandem axle, and a spacious deck, allowing you to carry greater onboard air capacity. The exceptional overburden performance of the 1340 DR drill combined with the reliability of the Peterbilt 567 makes the Derex 1340-16DR the ultimate drilling rig for the experienced driller.
