

Gq-15 engineering drilling rig

We manufacture and supply GQ-15 Top-drive Head Portable Water Well Drilling Rig at a factory competitive price with features: 1, top-drive head rotary pile ...

Hydraulic drill rig GQ-10 is a light mobile water well drilling rig developed by our factory, construction of large diameter foundation pile holes. It uses the structure of spindle ...

GQ-15A (Stopped Production) engineering drilling rig is a new type of product designed by our factory. The drill is in the aligned hydraulic feeding system, so ...

GQ-10 engineering drilling machine is newly designed special for large diameter pile hole drilling, can use forward-circulation and reverse circulation drilling methods mainly used in drilling ...

APPLICATIONS: GQ-15 engineering drilling machine is newly designed special for large diameter pile hole drilling, can use forward-circulation and reverse circulation drilling methods mainly ...

1. APPLICATIONS: GQ-15 engineering drilling machine is newly designed special for large diameter pile hole drilling, can use forward-circulation and reverse circulation drilling methods ...

Latest Engineering drilling rigs GQ-20 for construction foundation and soil investigation from Quality Drilling rig, Chongqing Gold Mechanical & Equipment Co., Ltd - a Wholesale Supplier ...

The power head equipped with manual chuck, drilling with Kelly bar. It has large depth drilling each roundtrip and high efficiency. The power head adopts direct feeding by the oil tank and ...

Geological drilling rig, type GQ-15 is a new product for large diameter foundation construction projects that adopts the forward and reverse circulation drilling.

GQ-15 engineering drilling machine is newly designed special for large diameter pile hole drilling, can use forward-circulation and reverse circulation drilling methods mainly used in drilling large ...

Share to: Sallow hole drilling equipment 50m--100m drilling rig GQ-10 GQ-10 used for sand drilling Also can be used for water well drilling & core sample drilling Best choice for your projects.

Engineering drilling rig GQ-60 This drilling machine is manufactured according to the requirement of foundation engineering, suitable for drilling medium mini-type grouting hole of building, ...

GQ-20 Building Construction Tools And Equipment is developed based on GQ-15 rig, in order to meet the

Gq-15 engineering drilling rig

needing of construction of large dia .The structure of the rig is stable and reliable.

GQ-15A ky thuat giàn khoan là mot loai moi cua san pham duoc thiet ke boi nhàmáy cua chúng tôi. Cuoc tap tran là trong he thong thuy luc cho an phù hop, do dó, nó có the di sâu vào cách ...

T.S.D.T. maintains a wide range of specialized equipment, including Truck-Mounted Drill Rigs, a Trailered GeoProbe Unit, a Narrow (35") Track Mounted GeoProbe for indoor access, and a ...

GQ-15A engineering drilling rig is a new type of product designed by our factory. The drill is in the aligned hydraulic feeding system, so it can drill in the ways by pressuring and decompressing. ...

/, Gq-15 Engineering Borehole Drilling Machine For Bore Pile 100M/Borehole Camera Drilling Rig Geological Prospec,, // - Chongqing Gold ...

Engineering drilling rig GQ-60 This drilling machine is manufactured according to the requirement of foundation engineering, suitable for drilling medium mini ...

Engineering Drilling Rig (GQ-15A), Find Details and Price about Drilling Rig Engineering Drilling Rig from Engineering Drilling Rig (GQ-15A) - Guangdong Geological Goods & Materials Corp.

GQ-15A (Stopped Production) engineering drilling rig is a new type of product designed by our factory. The drill is in the aligned hydraulic feeding system, so it can drill in the ways by ...

GQ-15 engineering drilling machine is newly designed special for large diameter pile hole drilling, can use forward-circulation and reverse circulation drilling methods mainly used in drilling ...

Quality Drilling rig manufacturers & exporter - buy Engineering drilling rigs GQ-20 soil testing drilling rig from China manufacturer.

GQ-15A engineering drilling rig is a new type of product designed by our factory. The drill is in the aligned hydraulic feeding system, so it can drill in the ways by pressuring and decompressing.

Now GGGMC" S main business includes drilling & foundation construction equipments & materials, steel pipes, rail maintenance and construction equipments, iron ore.

Latest Engineering drilling rigs GQ-20 from Quality Drilling rig, Chongqing Gold Mechanical & Equipment Co., Ltd - a Wholesale Supplier from China.

Quality Big pile hole drilling rig manufacturers & exporter - buy China Hot Sale Multi-functon GQ-15 Foundation Engineering Drilling Rig With 50 m Depth from China manufacturer.

Gq-15 engineering drilling rig

Water well drilling machine (33) Anchor drilling machine (11) Coring drilling machine (17) Engineering drilling machine (10) Tunnel drilling rig (30) Magnetic exploration equipment (3) I'm ...

China Big pile hole drilling rig catalog of China Made GX-100 Mini Geotechnical Drilling Rig for Soil Investigation withIN, China Made GX-100 Mini Geotechnical Drilling Rig for Soil ...
