

High-quality Kaishan kg420 crawler down-the-hole drill rig

What is kl510 top hammer drilling rig?

KL510 top hammer drilling rig is equipped with standard drill rod of 45/38mm diameter to drill vertical, inclined and horizontal blast holes of 64-115 mm. Travelling, crawler balance and frame rotation of drilling rig can be equipped with optional wireless remote control function for operation outside the cab.

Where is Kaishan drilling located?

Address: No.26,107 National RD, Xiaoxiang Community, Wanjiang District, Dongguan City-523048-China. Kaishan drilling offers DTH drilling rigs, top hammer drill rigs, water well drill rigs, rock drilling tools, dth drill bits & hammers.

What tools does Kaishan offer?

Kaishan has a complete range of top hammers, dth drilling tools including hammers, bits, pipes, adapters, reverse circulation products, breakout benches and grinding machines with consumables.

Product Application Product Application of Kaishan KG420BH 25m Crawler drill borehole equipment diesel mine drilling rig machine from China KG420BH Open DTH Drilling Truck is ...

The KG430/KG430H down the hole (DTH) drill rig is engineered for high efficiency open pit mining and stone quarrying use. The track drill features tramming and ...

Discover our product line including face drill rigs, hydraulic rock bolting rigs, in-the-hole longhole drilling rigs, hydraulic scaling rigs, hydraulic longhole drilling ...

KAISHAN KT11 Integrated Down the hole Drill Rig offers high efficiency and reliability for mining projects. With a drilling diameter of 100mm and a depth of 25m, it is perfect for various industries.

Service KG420 Hydraulic Down The Hole Drilling Rig after-sales service should include technical support: Provide a professional technical support team, at ...

KAISHAN KG420 used Manufacturer: Kaishan Model: KG420 The KG420/KG420H down the hole drill rig for open use is an improved device in compliance with national regulations on diesel ...

KT7D rock drilling and blasting integrated rock drilling machine Integrated Blasting Drilling Rig With Air Compressor for Sale \$18,970.00-20,000.00 Min. order: 1 set Kaishan KT series ...

The KG310/KG310H down the hole drill rig for open use is an improved device in compliance with national regulations on environmental protection. Equipped with the Yuchai double-cylinder ...

High-quality Kaishan kg420 crawler down-the-hole drill rig

Applicable Industries: Building Material Shops, Manufacturing Plant, Machinery Repair Shops, Retail, Printing Shops, Construction works, Energy & Mining, Other Showroom Location: ...

It has the characteristics of energy saving, high efficiency, safety and environmental protection, flexibility, convenient operation, stable performance and high cost performance. KG420TH ...

About kaishan drill machine Mine drilling rigs are one of the critical components of mining machinery designed to drill holes into the earth for various reasons from exploration, ...

Kaishan Kg310,Kg320,Kg410,Kg420,Kg430,Kg510,Kg590,Kg610,Kg726 Down-hole Drill Rig For Open Use Drilling Car With Dust Collector, Find Complete Details about Kaishan ...

The KG420/KG420H drill rig is a hydraulic, diesel powered, self-propelled down the hole rig, designed for open use drilling operations. Equipped with a Yuchai ...

KG420T/KG420TH open-pit DTH drilling rig is suitable for drilling vertical, inclined and horizontal blasting holes and pre-splitting holes in open-pit mines and stone works.

The KG520/KG520H down the hole drill rig for open use is an improved device in compliance with national regulations on diesel-engine emissions.

Kg420/kg420hdiesel Electric Type 80hp Small Hydraulic Portable Rotary Down The Hole Drill Rig For Mining Blasting, Find Complete Details about Kg420/kg420hdiesel Electric Type 80hp ...

The KG430H down-the-hole drill rig for open use is equipped with a dust collector, thus making the operation more environment-friendly and reliable. Detail Parameter -- Safe and stable ...

The KG420/KG420H drill rig is a hydraulic, diesel powered, self-propelled down the hole rig, designed for open use drilling operations. Equipped with a Yuchai four-cylinder engine, the drill ...

The KG420S/KG420SH down the hole drill rig for open use is an improved device in compliance with national regulations on diesel-engine emissions. The drill rig is equipped with the two ...

Kaishan drilling rig is best for quarrying, surface mining, underground mining, construction, exploration drilling industry applications. Best Services!

The KT20 integrated down the hole drill rig for open use is a new drilling device developed by our company after years of development and production of ...

High-quality Kaishan kg420 crawler down-the-hole drill rig

The KT11 integrated down the hole drill rig is driven by a high power Cummins China stage III diesel engine with a two-terminal output that can drive the ...

Maximize mining efficiency with robust Kaishan drilling rigs, offering 25m depth, diesel power, and eco-friendly features. Ideal for tough ore drilling tasks. Explore durable rotary rigs now!

Kaishan KT11 integrated surface DTH drilling rig drives both the hydraulic system and high pressure screw compression system with a power and has function modules, including auto ...

The KG420 down the hole borehole drilling rig for open use is an improved device in compliance with national regulations on environmental protection. Equipped with the Yuchai engine (China ...

Zhengzhou Kaishan Mechanical & Electrical Equipment Co., Ltd. Our company are specialized in this filed for over 25 years with high quality and competitive price. We provide various kinds of ...

High Performance KG430 Crawler Blasting Drill Machine Rock Drilling Rig for Mining Kaishan KG430 25m blasting ground hole Quarry Rock DTH Mining ...

Zhejiang Kaishan Heavy Industry Co., Ltd. is a high-tech enterprise with a complete mechanical manufacturing system, as well as well-equipped precision machining and testing equipment. ...

Chinese 80 to 105 mm Portable Hard Rock Drilling Rig Machine Hydraulic The KG310/KG310H down the hole drill rig for open use is an improved device in compliance with national ...

The KG420/KG420H dth drill rig for open use is an improved device in compliance with national regulations on diesel-engine emissions.

The KG420/KG420H dth drill rig for open use is equipped with a dust collector, thus making operation more environment-friendly and reliable.

The KG430/KG430H down the hole (DTH) drill rig is engineered for high efficiency open pit mining and stone quarrying use. The track drill features tramming and drilling controls easily accessed ...

KG420/KG420H Surface DTH Drilling Rig is with Yuchai diesel engine (GB 3), it meets the national requirements of Emissions and environment, it is Designed and developed based on YC726 ...
