

Kaishan 920 down-the-hole drill rig

We manufacture and supply Kaishan Medium Wind Pressure Crawler Down Hole Drilling Rig To Drill Rock KG920A at a factory competitive price with features: Hole diameter:80-115mm, Drill ...

Categories: All Products, Kaishan Drilling Rigs Description: The ZT5 integrated open-air DTH drilling rig is an advanced equipment featuring an automatic rod-changing system and ...

KT11 integrated surface DTH drilling rig is using Cummins three diesel engines as a single power, by both ends of the output at the same time to drive the screw ...

Kaishan is a professional manufacturer of rock drills and DTH drilling rig in China, we have multiple series of DTH drilling rigs to meet your different requirements, including: DTH drilling ...

If you are searching for high end drilling rig and air compressor, we promise that it is well worth checking our company. Headquartered in Zhengzhou City, ...

Kaishan KG920AB DTH down the hole drill rig for iron ore rock mine blast hole drilling anti extreme temperature humidity breaking blasting supplying Thailand Product Description

Are you wondering which kind of drilling rig and compressor are the best choices? Maybe you can find the answer in KAISHAN Group. We are the biggest air ...

Down The Hole Drill Rigs Kaishan Group Co., Ltd. is a well-equipped company with strong technical force, specialized in Water Well Drilling Rig, Screw air compressor, Surface Drill ...

A high air pressure screw rod with our intellectual property is mounted on the machine. KT5C Integrated Down the hole Drill Rig for Open Use The KT5C ...

The KG520/KG510H down the hole drill rig for open use is an improved device in compliance with national regulations on diesel-engine emissions. Equipped with the Yuchai four-cylinder ...

The KG920BIII/KG920BHIII down the hole drill rig for open use is an improved device in compliance with national regulations on environmental protection. ...

ZQS-20/2.0 pneumatic rock drill is an efficient and multi-purpose hand-held pneumatic rotary drill. The diameter of drill holes is usually 35-42mm.

The KT5C Integrated down the hole drill rig for open use is an advanced drilling device integrating the down

Kaishan 920 down-the-hole drill rig

the hole drilling system and screw air compressor ...

ZT10 Integrated Down the hole Drill Rig for Open Use The ZT10 integrated down the hole drill rig for open use is an advanced piece of drilling equipment developed by Kaishan Group to meet ...

The KT11 integrated down the hole drill rig for open use can drilling vertical,inclined and horizontal holes.mainly used for open-pit mine,stonework ...

Kaishan KQD120 dth drill rig tackle hard rock & complex formations with ease. Reliable & efficient. Drill contractors" best friend!

kaishan dth drilling rigs are designed for high-capacity rock drilling in quarries, opencast mines & rock excavation. Call us for a FREE quote now!

The KT11 integrated down the hole drill rig is driven by a high power Cummins China stage III diesel engine with a two-terminal output that can drive the ...

The ZT10 integrated down the hole drill rig for open use is a new drilling device developed by Kaishan Group after years of development and production of ...

Product Description Kaishan KG920AB DTH down the hole drill rig for iron ore rock mine blast hole drilling anti extreme temperature humidity breaking blasting supplying Thailand Product ...

The KG410 down-the-hole drill rig for open-pit operations is an enhanced model compliant with national diesel emission regulations. Equipped with a Yuchai 4-cylinder China III engine, it ...

KT12 Integrated Down the hole Drill Rig The KT12 integrated down the hole drill rig is driven by a Cummins China stage III diesel engine and the two-terminal output can drive the screw ...

The KT20 integrated down the hole drill rig for open use is a new drilling device developed by our company after years of development and production of down the hole drill rig to meet the ...

The KT25 integrated down the hole drill rig for open use can drilling vertical,inclined and horizontal holes,mainly used for open-pit mine,stonework ...

KT25 open-pit down-the-hole drilling rig is a new type of drilling equipment carefully designed for the needs of large open-pit mines on the basis of years ...

Categories: All Products, Kaishan Drilling Rigs, Rock Drilling Tools Description: The KT11 integrated surface DTH drilling rig utilizes a single Cummins three-cylinder diesel engine with ...

Kaishan 920 down-the-hole drill rig

Air Hydraulic KG920 is our smallest crawler mounted, down the hole pneumatic drill rig, and is ideal for work in confined areas. It is a fully mechanized, self propelled, heavy duty drill. It is a ...

Zhejiang Kaishan Heavy Industry, part of Kaishan Group, manufactures advanced drilling equipment for mining, military, and construction. We offer safe, efficient, and customized ...

KG920 expanded pitch and lifting arm hydraulic cylinder enable it to meet the requirements of limiting position use. Meanwhile, the hydraulic system is improved, thereby proving increased ...

The KG920BIII/KG920BHIII DTH drill rig for open use is an improved device in compliance with national regulations on environmental protection. Equipped with the Yuchai engine (China III), ...

Equipped with the Yuchai engine (China III),the drill rig meets national standards for emissions and environment. The tramming motor of plunger piston and four-wheel drive improve the ...

The KT15C integrated down the hole drill rig for open use can drilling vertical, inclined and horizontal holes, mainly used for open-pit mine,stonework blast ...

The KG520/KG520H down the hole drill rig is designed for large and medium-sized quarries and contractors. The drill rig features a folding frame track and ...
