

Kaishan KY100 down-the-hole drill rig specifications

The KT15C integrated down the hole drill rig for open use can drilling vertical, inclined and horizontal holes, mainly used for open-pit mine,stonework blast holes and pre-splitting holes. It ...

Discover our product line including face drill rigs, hydraulic rock bolting rigs, in-the-hole longhole drilling rigs, hydraulic scaling rigs, hydraulic longhole drilling ...

1,Safe and stable traveling system of Crawler Drilling Rig 2,Powerful and reliable engine of Crawler Drilling Rig 3,Mew type boom of DTH Crawler Drilling Rig 4,Powerful feeding and ...

Crawler Blasting Rig ZT5 Mining Blast Hole Down The Hole Drilling Rigs With Built-in Compressor ZT5 integrated open-air DTH drilling rig is an advanced ...

Adjustable Boom of portable crawler drilling rig KY100 Boom is adjustable. The angle of drilling hole and height of horizontal hole can be adjusted by controlling the stretch-out and draw-back ...

Company Introduction:Kaishan Group is an enterprise group developed from Zhejiang Kaishan Co., Ltd, which attains a good reputation in the province. It is honored as the company of good ...

35m depth kt25 Efficient dust collection system dth Blasting hole integrated mine drill rigs for open Use mining KT25 open-pit down-the-hole drilling rig is a new type of drilling equipment ...

Down The Hole Drill Rigs Kaishan Group Co., Ltd. is a well-equipped company with strong technical force, specialized in Water Well Drilling Rig, Screw air compressor, Surface Drill ...

The KT5C Integrated down the hole drill rig for open use is an advanced drilling device integrating the down the hole drilling system and screw air compressor ...

The angle of drilling hole and height of horizontal hole can be adjusted by controlling the stretch-out and draw-back of the hydro-cylinder. That enlarges the drilling hole's range and improve ...

The KT9C integrated down the hole drill rig for open use is an advanced drilling device integrating the down the hole drilling system and screw air compressor ...

KT12 Integrated Down the hole Drill Rig The KT12 integrated down the hole drill rig is driven by a Cummins China stage III diesel engine and the two-terminal output can drive the screw ...

Kaishan KY100 down-the-hole drill rig specifications

Our KT5C Integrated down the hole drill rig for open use is an advanced drilling device with an integrated screw air compressor system. The equipment is compact in structure and mobile ...

The KT20 integrated down the hole drill rig for open use is a new drilling device developed by our company after years of development and production of ...

The KT7D integrated down the hole drill rig for open use is an advanced drilling device integrating the down the hole drilling system and screw air compressor ...

This type of KY100/KG910B DTH drilling rig is mainly suitable for mining, water conservancy, power plants, road building and other rock blasting whole drilling.

The KG430H down the hole drill rig for open use is equipped with a dust collector, thus making operation more environment-friendly and reliable.

The KT11 integrated down the hole drill rig for open use can drilling vertical, inclined and horizontal holes. mainly used for open-pit mine, stonework ...

The KG520/KG520H down the hole drill rig is designed for large and medium-sized quarries and contractors. The drill rig features a folding frame track and ...

Categories: All Products, Kaishan Drilling Rigs, Rock Drilling Tools Description: The KT11 integrated surface DTH drilling rig utilizes a single Cummins three-cylinder diesel engine with ...

Economical Kaishan ZT11 integrated down the hole drill rig for open use can drilling vertical, inclined and horizontal holes, mainly used for open-pit mine, stonework blast holes and pre ...

Kaishan KQD150B Down The Hole Drill Machine is robust performance in hard rock, fuel efficiency, wide drilling range & versatility, and easy maintenance.

Home » Products » Drill Rigs and Rock Drills » KM311 Underground Mining Bolting rig Get Operation Manual KM311 hydraulic rock bolting rig is specially designed for the construction of ...

35m depth kt25 Efficient dust collection system dth Blasting hole integrated mine drill rigs for open Use mining KT25 open-pit down-the-hole drilling rig is a new ...

Kaishan drilling rig is best for quarrying, surface mining, underground mining, construction, exploration drilling industry applications. Best Services!

Down the hole drilling rig has a hydraulic wet dust removal system with adjustable water volume and water

Kaishan KY100 down-the-hole drill rig specifications

pressure, and water pressure alarm function. The rig ...

Applications The KT11 integrated down the hole drill rig for open use can drilling vertical, inclined and horizontal holes. mainly used for open-pit mine, stonework blast holes and pre-splitting ...

Our KY100 (D) low pressure crawler drilling rig, as an excellent rock drilling machine, has been specially designed. Its reliable and powerful components give the drilling crawler great drilling ...

The KG420/KG420H drill rig is a hydraulic, diesel powered, self-propelled down the hole rig, designed for open use drilling operations. Equipped with a Yuchai four-cylinder engine, the drill ...

We manufacture and supply KY100 Advanced model - Kaishan brand drill to 25m KG920B blast hole drilling rig at a factory competitive price with features: blast hole drilling rig:, 1. Diameter to ...

KAISHAN High performance KT12 Kaishan DTH Diesel Crawler Down the Hole Blasting Mining Drill Rig for mine blasting hole KT12 integrated DTH drilling rig ...

Powered by double cylinder diesel engine, the drilling rig has large traction power and strong climb capacity; due to small body vibration, it operates smoothly.

Location: Home > Products > Drilling machine > KY series of down-the-hole drill rigs Drilling machine Name: KY100 Semi-pneumatic hydraulic Crawler Drill Input Date:2025-4-28 ...
