

Ledong down-the-hole drilling rig rental

Where can I rent a drill rig?

Rig-Rents offers Bay Shore Systems drill rigs, piling equipment, and tooling for rent nationwide.

Do you offer low overhead drill rigs?

We offer low overhead models for limited access drilling, Kelly bar extensions, and rubber pads or steel tracks on all drill rigs. We understand the importance of efficient and safe operations. Every piece of equipment undergoes meticulous maintenance to ensure optimal performance on your next drilling project.

Which coring rigs are available for rent?

At Rig Source, we have a variety of coring rigs for rent from top-of-the-line brands including Geoprobe, Versatran, and GTech. These rigs are primarily used for mineral extraction, and our exploration drilling rigs help discover valuable resources below the Earth's surface.

What is included in a water well drill rig rental?

Rental for the Water Well Drill Rig includes all accessories required to drill a maximum depth of 900 feet.
