

# Professional diamond drilling rig hire company

What is a diamond drill rig used for?

Suitable for use on brickwork, blockwork, tiles, and most masonry, the HSS range of diamond drills offers power and precision for a wide array of applications. Whether you use a light-duty diamond driller kit or a larger, heavy-duty rig, with the appropriate diamond core drill bit drilling through concrete and masonry will be effortless.

Where can I find drilling on hire?

Drilling on hire you can find on heavy equipments. It's for hirer very difficult to find the right equipment near around them. Heavy equipments connect directly to rental companies or owners which ready to deploy the Drilling on rental hours, monthly, yearly, project basis.

What types of drill rig rentals are available?

In our rental equipment inventory, we offer various types of drill rig rental options: coring rigs, exploration rigs, direct push rigs, geotechnical rigs, environmental rigs, truck haulers, and support equipment. A core drill rig is a specialized piece of equipment for core sampling.

What services does diamond drilling UK offer?

Here at Diamond Drilling UK, we offer a range of services related to concrete cutting and drilling from our base in East Sussex. As part of our repertoire, we provide customers with diamond wall chasing, which refers to cutting or creating a channel in concrete or block walls or flooring.

Why should you rent drilling equipment from rig source?

Renting drilling equipment from Rig Source minimizes any concerns of maintenance, depreciation, and storage, allowing the drilling professionals to solely focus on their drilling projects. At Rig Source, many of our clients prefer rentals over new equipment because we have much more availability in our fleet.

Can I hire a drilling rig?

Drilling Rigs can be hired on short or long term agreements. All our hire machines are serviced and checked before leaving the workshop to ensure the drilling machine is in a fully working condition. We also offer a delivery and collection service on request please contact us for further information.
