

Quality drill floor oil rig vendor

Who makes the best rig mats & drilling rig matting?

Quality Mat Company offers the best rig mats and drilling rig matting to safely and sensitively work on any location. With 51 years of experience, Quality Mat Company provides a solid base for all your drilling and construction needs.

Why should you choose a quality rig mat company?

For drilling rig mats, drilling rig matting, and ground protection, choose the trusted Quality Mat Company. Our rig mats are favored for drilling rigs and large construction applications, and are used in the most environmentally sensitive areas all over the world.

Why should I request a custom quote for drilling rig mats?

Requesting a custom quote for drilling rig mats ensures: Products tailored to the specific dimensions and needs of your project. Expert guidance in selecting and arranging your mats. Competitive price of rig mats that reflects the exceptional quality and value of our products. Don't settle for less than what your project deserves.

Are AMS drill floor safety mats suitable for oil & gas operations?

AMS Drill Floor safety mats are engineered specifically for Oil & Gas operations. Upgrade your operations with the highest quality mat products available.

How long do drilling rig mats last?

The average life of our drilling rig mats is approximately 10 years, though some have remained active for 15 - 20 years. For drilling rig mats, drilling rig matting, and ground protection, choose the trusted Quality Mat Company.

Why are drilling rig mats important?

Grasping the functionality of drilling rig mats in real-life scenarios highlights their invaluable contribution. These mats create a stable platform for heavy equipment and heavy machinery, essential for safety and efficiency at work sites.
