

Used oil drilling rig market training

How to get a job on an oil rig?

The best way to get a job on an oil rig, where you can make upwards of \$25 an hour your first day on the job, is to participate in a professional oil rig training course. Nothing compares to oil rig training for gaining both knowledge and practical experience that will prepare you for an awesome job and career.

What is oil rig training?

Oil rig training takes advantage of both classroom and field training to introduce you to oil rig equipment and to teach you the specialized skills that you will use as an entry level oil rig worker - like that of a roughneck or roustabout.

Where can I get Oil & Gas Training?

Made by Lightning Jar PetroSkills provides comprehensive oil and gas training around the world. Choose from expert-led short courses, online training, in-house options, and more.
